

Mobile Remote Check Deposit Agreement

The Mobile Deposit Service Agreement (“Agreement”) is the contract which covers your and our rights and responsibilities concerning the Mobile Deposit Service (“Service”) offered to you by Amplify Credit Union (“Credit Union”). By using the Service or clicking “Agree” on the mobile Deposit terms and conditions disclosure page shown on your mobile device, you and any joint owners or authorized users, jointly and severally, agree to the terms and conditions in this Agreement, and any amendments. The Service is subject to the following terms and conditions and to any instructions, rules and terms in the Membership and Account Agreement which governs your Amplify account and incorporated by reference herein.

1. DUTIES AND RESPONSIBILITIES OF THE CREDIT UNION.

1.1 Use of Service. The Services are designed to allow you to make deposits to your checking, savings, or money market savings accounts from home or other remote locations by taking a picture of the checks using Amplify’s mobile application and submitting the images and associated deposit information to Amplify electronically. You will need to take a picture of the front of any check being deposited, as well as the reverse of any check, showing the proper endorsement. Amplify reserves the right to impose limits on the amount(s) and/or number of deposits that you transmit using the Services and to modify such limits from time to time.

1.2 Limitations of Service. When using the Services, you may experience technical or other difficulties. We cannot assume responsibility for any technical or other difficulties or any resulting damages that you may incur. Some of the Services have qualification requirements, and we reserve the right to change the qualifications at any time without prior notice. We reserve the right to change, suspend or discontinue the Services immediately and at any time without prior notice to you.

1.3 Processing. Credit Union may examine Checks to verify any data or dates. Credit Union will process the Check according to the written amount. An item shall be deemed received when you receive a submission confirmation from Amplify that we have received and verified the item. If a Check does not have the necessary information to be processed by the Credit Union, then the Credit Union will treat the Check as an exception. If a Check is treated as an exception, it will not be deposited or otherwise reflected in your account. You will receive notification that the item was not approved by email or, in the event an email address is not present, on your periodic statement. At that point, you may correct the issue and re-submit electronically or present the item in person. Credit Union will disregard any notation on a Check containing “paid in full” or other restrictive notation, whether preprinted or handwritten, and treat any such Check as though such notation did not appear thereon. Credit Union may return any item at any time for any reason. If a check is dishonored, you will receive a substitute check as the chargeback item.

1.4 Funds Availability. Deposits to the account will be made available according to Regulation CC.
